

PRECISION AGRICULTURE FIELD DAY

Thursday, June 29, 2017 at 10:30 AM

BAR D RANCH

2235 SW OLD WIRE ROAD

**Follow Regents Glen into farm for 1 mile, turn
right and go 0.5 miles north to site**

SW Old Wire Road is 1 mile east of SR 47/CR 240 near Columbia City, FL

Representatives from UF/IFAS, Helena, Mayo Fertilizer, Farmers COOP Inc., Highland Precision Ag, and Agribugs will be on-hand to share precision agriculture technologies.

Technologies displayed include: Veris mapping, grid soil sampling, UAV and satellite imagery, elevation mapping, landscape suitability for variable rate irrigation, and microclimate variability and plant disease.

UF/IFAS Research and Extension will share interim research results and the data collected.

Lunch to follow at a nearby restaurant.

Please contact UF/IFAS Extension Columbia County at 386-752-5384 to register.
